To provide a forum for meetings and exchanges **between research, companies, policy makers and users** around the needs and challenges of a smart and inclusive city for seniors.

La Rentrée des Solidarités « When I'm Senior »

Organised by CCAS of Angers - Free Entrance

A day of meetings open to all at the Congress Centre. On the agenda : workshops, entertainment, round tables, innovation trophies.

Policy Forum

Bring together research, companies, policy makers and users to tackle the different issues of a smart and inclusive city.

Scientific & international Congress

Put data, artificial intelligence and its applications into perspective in the different areas of senior life in the city and territories.

Space business « Inspirations, Solutions, Business »

Business meetings, an exhibition, a dedicated space on innovation, with an Experience Lab and a Start Up Camp.

Learning expeditions

A day of visits to discover the establishments and companies of the Silver Economy in the Pays de la Loire region.
